

Mark 6

1. How was Jesus received in his hometown of Nazareth and how did he respond?
2. A principle is a basic summary of how something works, and can be used as the basis for reasoning and conduct. Write a principle based on Mark 6:1-6.
3. What were Jesus instructions to the twelve in Mark 6:7-13 and why do you think he instructed these things?
4. What was their (the twelve) message to the people? And what was the result of their work?
5. What should the message of your life be? Are there any ways you are failing to convey this message?
6. Write one or more observations and/or personal applications about the death of John the Baptist?

7. What motivated Jesus to spend time with and teach the crowds?

8. What greatly concerned the disciples about the crowd and location?

9. What did Jesus do after dismissing the disciples and the crowd? What should we take from this?

10. Write observations and/or personal applications from the story of Jesus walking on the water.

11. How are we often a lot like the disciples in Mark 6?

12. How was Jesus received in Gennesaret?

13. Write one or more personal applications from any part of Mark 6.
