

## Mark 11

1. Before continuing read all of Mark 11 and list your own questions and/or observations.
2. Many Bibles will use the title "The Triumphal Entry" for Mark 11. Is that fitting? Why or why not?
3. How does the story of the disciples retrieving the colt apply to your situation?
4. What does the word "hosanna" mean (use your notes or a Bible dictionary)? What do you think the people meant when they shouted hosanna and called Jesus the coming king?
5. What might Jesus' cursing of the fig tree have been symbolic of?
6. Why did Jesus drive out buyers and sellers and overturn money changer tables in the temple?
